Hi Bladimir,

Hope all is well, just wanted to check in with you regarding our Mobile Hygiene Unit. Have you received any recent updates about the deployment of the Units. I know last time we spoke they were being deployed to our RAP shelters so I just wanted to check with you and see if anything has changed from that. If I remember correctly I think ours was going to Shatto.

Please let me know when you get a chance.

Best,

Hi Hector

Situation remains the same. No update available yet. After pandemic situation is under controlled, all CDs will start getting MHU service as requested.

Per our conversation on Friday, please confirm John/ Hoover and Glendale are two official locations for this service.

Thanks Hector.

Thank you Bladimir, yes we would like to keep Hoover/John and Glendale as our two priority sites for the MHU.

Do we currently have the MHU at Shatto assisting with the RAP shelter?

Best,
